

Open-ended Question starters (lots of possible conversations):

- How could that...
- What is your opinion on...
- How did you react when...
- Why do you think...
- Why is this...
- How do you feel about...
- What reasons would you give for...
- How does \_\_\_\_\_ relate to your own experiences?
- Explain...
- Give me some examples of ...
- Why do you think \_\_\_\_\_ did that?
- What does \_\_\_\_\_ make you think about?

Or any other question stem that can lead to rich, open-ended questions.

Remember: open-ended questions are those without one specific right answer.
